- ECDA/ICDA Verification
- Ultrasonic Testing (UT)
- Magnetic Particle Inspection (MPI)
- Creaform Laser Scanning
- Phased Array UT (PAUT)
- Radiographic Testing (Conventional/CR/DR)
- Automated UT (AUT)
- Carbon Equivalency (CE) - LIBS
- Hydroform UT / Flexoform UT
- Positive Material Identification (PMI)
- Soil Resistivity, Pipe to Soil, & pH
- Shear Wave UT (SWUT)

IN-LINE INSPECTION (ILI) SUPPORT SERVICES:

- Pig Tracking
- Dig Staking
- Rehabilitation
- Pipeline Marker Install/Replacement
- Above Ground Marker Survey/Deployment
- Pig Run Project Mgmt (Lead Inspection)
- As-Built Survey
- Centerline Survey
- Remote (Online) Pig Tracking
- NORM & Benzene Monitoring
- Excavation Profile Survey
- Defect Mapping (GPS Coordinates)

GIS/SURVEY & LOCATING SERVICES:

- GIS Field Data Collection (GPS Accuracy)
- Quality Controlled GPS Data Integration
- As-Built Construction Data
- As-Is Field Data Verification
- GIS Data to Software Integration
- Aged Asset Data Comparisons
- Data Conversion & Formatting
- CAD Design
- GIS Analysts
- Gas Meter Locating
- Electrical Pole Survey
- Valve Locating Survey

INSPECTOR CLASSIFICATIONS:

- Project Manager/Construction Manager
- Chief Inspector
- Assistant Chief Inspector
- Senior AWS CWI Certified Welding Inspector
- AWS CWI Certified Welding Inspector
- NACE/AMPP Coating Inspector
- Environmental Inspector
- Polyethylene Inspector
- Safety Inspector
- Utility Inspector
- Civil Inspector
- E&I Inspector
