OUR STORY

Founded in 1979 by Billy and Sue Ryals, B&S Equipment has grown from a land-based backhoe service company to a versatile heavy equipment company offering a wide range of land, marsh and marine equipment services. B&S Equipment continues to thrive as a family-owned company under the leadership of Scott Ryals, Chief Executive Officer, and Tracey Ryals Frazier, Secretary/Treasurer, and is guided by the same core values that have defined the company for more than four decades. We are a proud New Orleans-based business and trusted name across the Gulf Coast region and beyond, and we remain committed to meeting the challenging demands of diverse environments safely and reliably.

OUR SAFETY STANDARDS

At B&S Equipment, safety always comes first. Our safety standards are built upon best-in-class industry practices and a culture of continuous improvement. Through proactive safety measures, comprehensive training programs, and strict adherence to regulatory requirements, we ensure safety is embedded in every phase of our projects. This dedication to maintaining and improving our safety standards has established B&S Equipment as a trusted partner in the industry, known for managing projects that prioritize the well-being of all involved.

B&S Equipment Co., Inc. (400-220527) has joined ISNnetwork® as a Member Contractor. ISN has reviewed and verified B&S Equipment Co., Inc.'s compliance documentation, insurance and training. B&S Equipment Co., Inc. has approved status with its current clients/operators.

In order to keep our personnel 100% compliant within the industry's Drug & Alcohol Testing requirements, B&S Equipment Co., Inc. maintains compliant membership with DISA-EPCC and DISA- PHMSA Consortium Policies.

B&S Equipment Co., Inc. utilizes QOQSG and Veriforce for its Operator Qualification Training (OQ). B&S Equipment Co., Inc.'s OQ Program was developed to comply with the Office of Pipeline Safety of the U. S. Department of Transportation's (DOT) Qualification of Pipeline Personnel Regulation (49 CFR Part 192 Subpart N and Part 195 Subpart G). B&S Equipment Co., Inc. complies with all of our client's OQ requirements.
