**IT'S IN THE
AIR**

OX ONSITE DELIVERS:

- HIGHER DIG RATES ON SOFT-DIG JOBS
- MORE COST SAVINGS OPTIONS WITH DRY

**DRY VAC
EXCAVATION SERVICES**

NEVER OUTWORKED.

Ox OnSite delivers advanced dry suction excavation knowledge and expertise on every jobsite. With a high standard of safety engrained in each of our crews, productivity and efficiency becomes the focus.

**NO WASTED MATERIALS
NO WET SLURRY TO MANAGE
NO DISPOSAL CHARGES**

PERFORMANCE. DRIVEN.

Ox OnSite utilizes the innovative vacuum excavation power of the MTS Dino Series. These advanced dry vacs give us a distinct advantage over hydrvoacs, combo units, or anything else trying to dig dry like we do.
