

Pipe, Valves and Fittings

**Products and services to get
the job done for even the most
demanding applications**

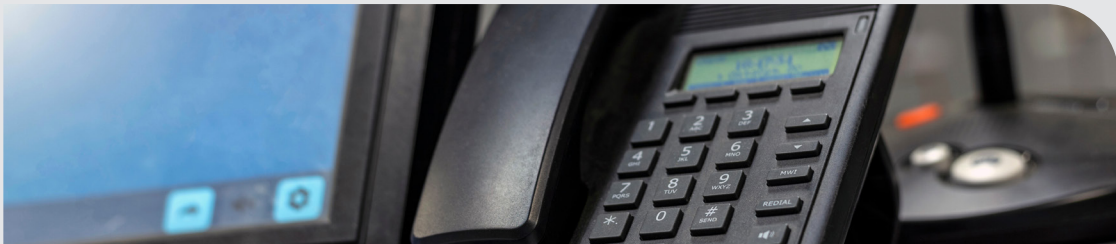

Services and Solutions

Local service and support

Our branch network's inventory of pipe, valves and fittings also includes products for commercial and residential electrical construction, electric and natural gas utilities, communications, industrial automation, MRO and safety.

After-hours service

When you need emergency or after-hours support, we have your back. We're available for you 24 hours a day, seven days a week, 365 days a year. Call our toll-free Emergency Help Line at 800.800.0199 for product or technical support — day or night.

Experts you can rely on

At Border States, our experts are dedicated to solving even your toughest challenges. Our Application Engineers and Product Specialists are constantly researching new applications and technology and attending ongoing training to bring innovative solutions to you.

Material tracking and traceability

When you need mill test reports with your material, we can provide them in the format you need, helping you keep your projects on track, save time and minimize risk exposure.

Training and technology

Whether you come to one of our in-house training sessions or we bring training to you, we make sure you are up to date with products, applications and process solutions.

Job site delivery

From vans to hotshot deliveries to flatbed semitrailers with truck-mounted forklifts, we have the equipment to provide materials when and where you need them. Using our own fleet, you get customized packaging and controlled shipments, resulting in less damage.

Product Categories

Pipe

- Carbon steel – STD through XXS
- Coated – FBE and ARO
- High-yield carbon steel – Light wall through XS
- Low-temperature carbon steel – STD through XXS
- Singles and doubles
- Stainless steel – Sch 10S through Sch 160
- Welded, seamless and DSAW

Floating and trunnion ball valves

- Carbon steel
- Flanged, socket weld and threaded
- Fully welded body
- Low-temperature carbon steel
- Stainless steel
- Unibody, two-piece and three-piece

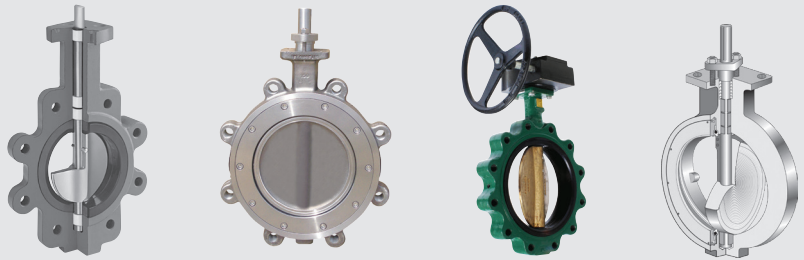

Gate, globe and check valves

- Bronze
- Cast carbon steel
- Cast iron
- Cast stainless steel
- Forged carbon steel
- Forged low-temperature carbon steel
- Forged stainless steel

Butterfly valves

- Cast iron
- Cast steel
- Ductile iron
- High performance
- Resilient seated
- Stainless steel
- Triple offset

Elbows, tees, reducers and crosses

- Carbon-steel butt weld
- Cast stainless steel
- Forged carbon steel
- Forged stainless steel
- High-yield carbon-steel butt weld
- Low-temperature carbon-steel butt weld
- Low-temperature forged carbon steel
- Malleable iron
- Stainless-steel butt weld

Nipples, bull plugs, outlets, couplings, plugs and bushings

- Carbon steel
- Low-temperature carbon steel
- Merchant steel
- Stainless steel

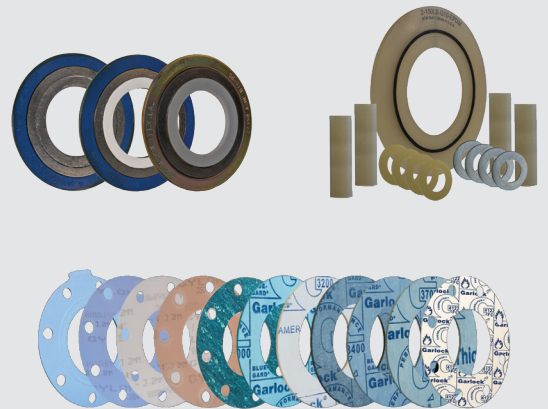

Flanges

- 304L and 316L stainless steel
- A105 carbon steel
- Ductile iron
- F52 high-yield carbon steel
- LF2 low-temperature carbon steel

Gaskets and insulation kits

- 150 lb through 2,500 lb
- Custom
- Cut/soft
- KAMMPROFILE™ metal gaskets
- Ring-type joint
- Spiral-wound

Fasteners

- B16
- B7/B7M
- B8/B8M
- Black
- Cadmium-plated
- L7/L7M
- Teflon-coated
- Zinc-coated

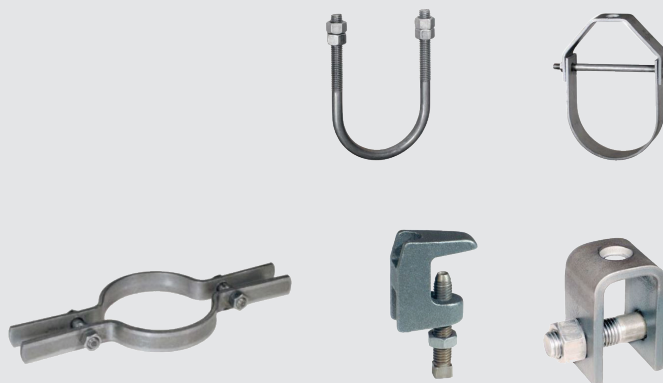

Instrumentation

- Ball valves
- Gauges
- Needle valves
- Plug valves
- Tube fittings
- Tubing

Hangers and supports

- Adjustable clevis
- Black
- C-clamps
- Galvanized
- Pipe clamps/riser clamps
- Stainless
- Thread rod
- U-bolts
- Welded beam attachments

Other products

- Air fittings
- Blinds and bleed rings
- Camlock
- Chainwheel operators
- Closures
- Hammer unions
- Steam products
- Strainers
- Victaulic
