INDUSTRY CONFERENCES

PRCI TDC OPEN HOUSE

YPP USA is invited to attend the PRCI Technology Development Center (TDC) Open House on October 5th! The PRCI TDC Open House is an opportunity to learn about TDC services, a world-renowned sample inventory, and technologies available through service providers that can be used to increase the safety and integrity of our pipeline systems. **Individuals interested in attending should contact Matt McCutchen (Matt.j.mccutchen@p66.com).**

PODS FALL FORUM

PODS Association is providing FREE access for all YPP Members to their Fall Forum in Houston, Texas on October 10th. The PODS Fall Forum will include learning opportunities from several speakers, as well as key updates from PODS. YPP leadership will also be giving a short presentation at the event! Following the event at the Hyatt West Houston, all attendees are invited to the evening social at TopGolf. **Check your email or MemberPlanet account to sign up!**

October 10th, Hyatt West Houston

APGA OPERATIONS CONFERENCE

Interested in learning more about public gas utility operations and safety? Even if you don't work for a public gas utility, the program has something for you. Registration is open for the APGA Operations Conference in Louisville, KY, this October 24-26th. Young Pipeline Professionals can use a code to get a discount. If you are under 35, just contact info@apga.com to get the code. **Click here for more details and to register!**
